## Alumni Edition

VOLUME I, ISSUE I

JULY 2012

## Who We Are

### Background Information

We are a group of graduates from JFK who have been actively moving toward establishment of a *formal alumni organization*. This is something we have not had since the mid-1990s.

With the *cooperation of the school district and JF Kennedy High School and its officials*, we have a **Official Not for Profit Corporation, Bellmore JFK Alumni, Inc.**

We will soon launch our **Official Website**. It is under construction right now and we expect it to be fully functional by the end of July 2012. Our website will have all the year books online for viewing and keep you up to date with our latest activities.

The main purpose of the association will be to support and give back to the JFK community, to maintain a

continuing relationship with the community, and to channel the potential for alumni service – not to mention renewing old friendships and having a great time along the way.

Over the years it has been difficult for alumni to reach out to one another and to organize class reunions and support the JFK community. It seems that we would always have to go through a professional reunion company

The level of interest we have received so far has been outstanding.

We had our first major event on October 21<sup>st</sup>, a multi year reunion with over 350 alumni.

**Our list is not being assembled nor will it be used for any commercial purpose**, but just so our organization can get in touch with you in the coming months as we get our organization off the ground.

Here is a direct link to fill in our form with your information. (*copy and paste in your browser address line*)  
[https://docs.google.com/spreadsheets/viewform?hl=en\\_US&pli=1&formkey=dDVJbTRpUjVQ2aDVxUWEzckFEZnNjYjYwcmA#gid=0](https://docs.google.com/spreadsheets/viewform?hl=en_US&pli=1&formkey=dDVJbTRpUjVQ2aDVxUWEzckFEZnNjYjYwcmA#gid=0)

Please help us and spread the word via email and Facebook to other alumni. We are also looking for a representative from each of the class years since 1968 to join our committee. If you have an interest please contact us.

Thank you and we hope you enjoy our first newsletter.!

*We are presently a Not-For-Profit Corporation. We have also filed forms with the Federal Government to be federally recognized as TAX EXEMPT. This will grant us a 501 (c3) status, which benefits alumni wishing to make a Tax Deductible Contribution to the Bellmore JFK Alumni, Inc.. We expect our 501(c3) status to be granted to us by the end of October, 2012. Please help support us!*

## The Mission of the Bellmore JFK Alumni, Inc.

# Just Another Win For JFK Alumni

**Over 300 Alumni show for the Bellmore JFK Multi Year Reunion Bellmore JFK Alumni, Inc. held its very first function as 37 YEARS OF GRADUATES from JFK CAME TOGETHER on Friday October 21st at Mulchay's Concert Hall in Wantagh LI.**

Mark Meyerowitz Maury Josephson Craig Maltz Gary Morganstern  
Ronald Steiger Eileen Connelly Harry Tsotsos Tony Luparello

If you were a LIRR commuter coming home last Friday night in Wantagh, you saw an orderly lineup out-side of Mulchay's. While it is not unusual to see people going into the concert hall, this was different.

You saw a table with a **green table skirt** and the words "**Bellmore JFK Alumni, Inc.**" This was a first event for the newly created official not for profit alumni association called "Bellmore JFK Alumni, Inc."

"Our board only came up with the idea in August to have a launch event for our alumni association" said Gary Morganstern the President of the Board. Howard Kaden the VP of the board said "we were hopping to have a decent turn out, maybe 100 people or so". Well while Maury & Beth Josephson, who were high school sweet hearts at JFK, gave out the name tags, Mark Meyerowitz and David Weiss made sure that many raffle tickets for the Giant Flat Screen TV were sold.

Craig Maltz the Treasure, kept a watchful eye as the money came in. When asked what are you going to do with the money your making tonight, Elyse Singer Lowe and Amy Gaon replied almost in unison, "We are going to support and promote many social, educational and scholarship programs to meet the needs of both the students and the alumni of JFK. We need to maintain continued relations between JFK and it's alumni."

Gwen Rappel Rosenberg a board member & Professional Photographer Steven Buchbinder took photos of the over 300 guests and placed them on facebook for all to see.

Eileen Connolly, who we owe much thanks to, is the Vice Principal of Kennedy High School. Eileen and Jay Fishbein worked the crowd telling all the alumni about our future directory that will be published and about our website that is under development and how it will have all the past yearbooks posted online for viewing.

The 300 Alumni were having such a phenomenal time reminiscing about the past and listening to the band "BIG SHOT" they forgot about how annoying Ronald Steiger, the Public Relations person for the board was, in sending out 100's of facebook, emails and press releases pushing the event.

Steiger said "I really didn't care if I sent out too much info— too many times, I just wanted to make sure that we had a turn out ...and that **everyone would have a great night.** He wanted the event to be so good, that the alumni come Monday morning that didn't make it to the reunion, would feel as if they really missed out on something special and be upset. They won't miss our next event !

Our real purpose of the event was to launch the alumni association. We wanted to make sure that alumni all over the country knew about the reunion and THEIR, once again THEIR NEW alumni association with the great things we are going to do in the future, with that in mind, we were very successful".

The alumni here are having the most wonderful time and can not thank us enough said Kaden & Morganstern. Steiger explained to some out of towners, Linda Savino from California and Harvey Cavayero from New Jersey about some future projects. Some of the grads from the years 68—75 were told about a battle of the bands night and reunion event that the alumni association is exploring... with bands that were around in the late 60's and 70's.

A few of the alumni crowd were made up of past teachers and athletes from Kennedy. And as Retired teacher and wrestling coach Bob Wigand looked on, David Weiss a heavy weight wrestler for Kennedy in the late 60's drew a crowd. He was telling the alumni that gathered around him about the athletic and health related alumni events we had in the planning stages such as; a walk a thon and bike a thon. Maury Josephson explained "that we had hoped to have and hold some of these events as joint functions with the Kennedy Athletic department, this way the present Kennedy students, their parents and older JFK alumni could participate together. We really want to instill the pride in the quality education for our children that this JFK community affords us".

We hope and ask for alumni to support our efforts and come and join us at a meeting, get involved on our board or on one of our many committees. The meetings are held at Bellmore JFK High School in room 136 at 7pm.

Our next scheduled meetings are September 2012 & October 2012.. Our Email contact information is Bellmorejfk1@gmail.com Our facebook group page is called "Bellmore Merrick JFK Alumni" and we have a alumni page on the school districts Bellmore JFK web-

The Kennedy High School gymnasium was filled with excitement and transformed into the Kennedy High School ballroom last Saturday evening when six alumni were inducted into the John F. Kennedy High School Hall of Fame. The induction was the first in 17 years.

Remember the Spartans, Olympians, Athleta, Excalibur's, DeMolay, Tritons, Omegans, Marquis, and of course The Apollo's! How about the Debbettes, Aphrodite's, and all the other Sororities?

Do any of these clubs still exist? We sure had fun with all those groups, beach parties on Ski Beach, or all the Christmas parties.

Maybe we didn't have cell phones, but when the word got out that there was going to be a party, a crowd showed up! How about skating down at Mill Pond? The Hole? City Woods Woodpecker Woods? The Itch? Smiths ? Mikes ? or Steve's Home Cooking? Bernie's ? &The Charcoal Chef?
